

The **TURNADO® 35**: Manoeuvrable, user-friendly and easy-to-maintain, this scrubber-drier is a highly professional and efficient tool for cleaning small areas and cluttered surfaces. The machine is fitted with a rotatable roller brush head with **TURNADO®** technology, making it perfect for tight corners. Can also clean in reverse if necessary (due to lack of space etc.). The machine's lightweight design helps you to negotiate steps and facilitates transportation. Cleaning was never so simple or given so much pleasure.

**Product feature:**

- Roller brush
- 2-tank system
- Variable brush contact pressure
- Battery and charger included
- Battery type, maintenance free
- Transport wheels
- Straight vacuum bar
- Easy access for service

**Ideal use to clean:**

- Smaller retail sales rooms
- Small and misaligned storage spaces
- Hotel and office entrance areas
- Locker room and restrooms
- Kitchen
- Garages
- Sales room
- and much more

**Product advantages:**

- Up to +/- 200° rotatable brush head
- Easy operation in tight corners, if necessary, cleaning and vacuuming can also be done in reverse.
- The brush is always working the same way the direction of travel
- The squeegee blade removes all the water in every corner
- Includes high-performance lithium-ion battery. Totally maintenance-free despite a service life that is three times longer than conventional batteries
- Quick charging (full in 3 hours, half full in 1 hour). Interim or partial charging is also possible where necessary.
- Saves resources and extends running time by up to 50%
- 40% reduction in noise level
- Very compact design
- Moving away from the wall is possible at a 90° angle
- Compact device - no device protrusion; easy handling

**PRODUCT PERFORMANCE AT FIRST GLANCE**

**Technical data**

**TURNADO® 35**

Working width brush/pads	350 mm
Working width vacuum bar	450 mm
Power rating	500 W
Battery capacity	21 Ah
Battery voltage	25,2 V
Tank volume fresh water	12 l
Tank volume dirt water	12 l
Brush contact pressure	150 g/cm <sup>2</sup>
Brush rotation speed	700-1500 U/min
Theoretical cleaning rate	1400 m <sup>2</sup> /h
Frequency	50-60 Hz
Voltage	220-240 V
Weight	35 kg
Dimension (L x B x H)	1000 x 450 x 1300 mm
<b>Item number</b>	<b>13500000</b>

(HEFTER reserves the right to make technical changes Version 11.2014)

**Included in delivery:**

- Cleaning machine TURNADO® 35
- 21 Ah lithium-ion battery
- On-board charger
- Roller brush red

**SCRUBBER-DRIER  
TURNADO® 35**

*Simple & clever*

**Highly manoeuvrable**  
 Ideal for use in cluttered areas or effective in confined spaces

# SCRUBBER-DRIER TURNADO® 35

## High productivity

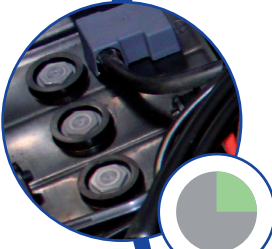

Brush head with "TURNADO" technology for easy steering +/- 200° rotation in each direction

Adjustable water consumption

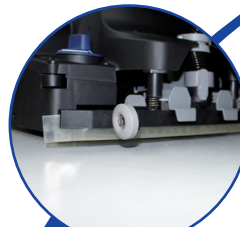

Traction drive through brush motor

Lithium-ion battery for longer use

"TURNADO" technology for tight corners and niches

Squeegees fixation for cleaning without vacuuming

High quality squeegee-blades for streak-free immediately dry floors

Small, compact machine for restricted and narrow areas

100% cleaning & drying even when reversing

## Usability and ergonomics

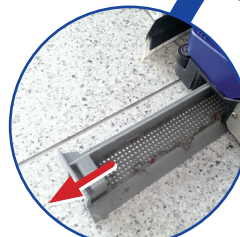

Clear display of all functions

Effortless in use - Ergonomic control panel can be set to individual requirements

"Eco" function  
• 40% reduction in noise  
• saves resources  
• 50% more run time

Clever integrated dirt collector for  
• bits of Wood  
• small stones  
• and other small parts

Change brushes without the need for tools

Dirty water tank  
• easy emptying  
• in every situation  
• at any time

Change the squeegees without the need for tools

Manually adjustable brush contact pressure

With only 35 kg, a light-weight! Easy to transport, fits in any car boot
